# B.J. Talbert Roomset: Product Information

The icons below illustrate how each pattern is hand printed on an untrimmed 30-inch wide roll of paper.

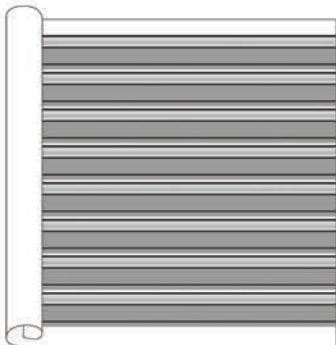

**Clematis Frieze** Sold by the yard. Two 13" borders per width, pattern repeat: 27". **Price code: T**

Clematis Frieze has an organic, naturalistic feel to it, as was the prevailing trend for design during the Aesthetic Movement. Behind the trailing vine of clematis Talbert employs a delicate pattern of gold to softly illuminate the background, giving it a dimension and richness that flat pigment alone can't achieve.

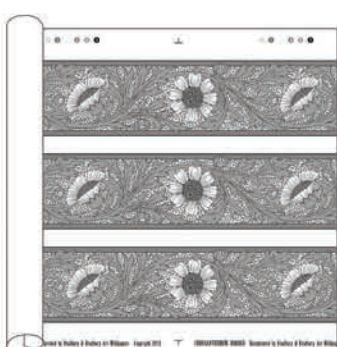

**Arbor Fill** Sold by the roll. Each roll contains 30 sq. ft. Roll dimensions: 27" wide by 15' long. Pattern repeat: 27", half-drop match. **Price code: D**

A wonderful and sophisticated pattern, very similar in effect to the foliate wallpapers designed by William Morris. Besides the gentle sway of its meander, the magic in this pattern is made by Talbert's use of small ringlets of gold in the background, reminiscent of sunlight penetrating a leafy canopy.

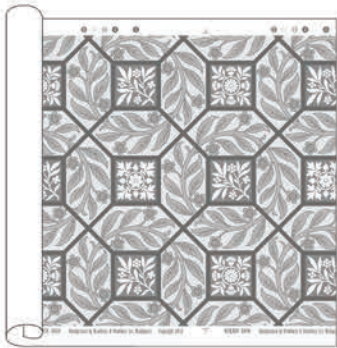

**Talbert Stripe** Sold by the yard. Eight 3" borders per width. **Price code: Q**

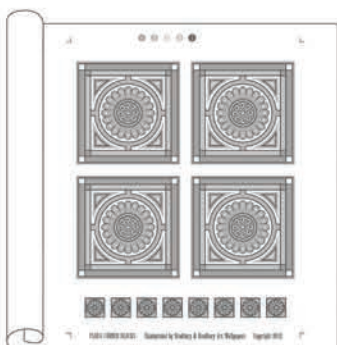

**Chrysanthemum Border** Sold by the yard. Three 6.375" borders per width. Pattern repeat: 18". **Price code: T**

Meandering sprigs of chrysanthemums with gilded ringlets scattered throughout the background. We like using this versatile border as a dado (wainscot) rail but it would be appropriate also as a small frieze or plate rail decoration.

**Wreath Dado** Sold by the yard. 27" high, pattern repeat: 18" **Price code: S**  
Spinning laurel wreaths surround gilded panels of foliage form a lovely base for our suite of Talbert wallpapers when hung directly along the top of a baseboard.  
Can also be used as a wall fill.

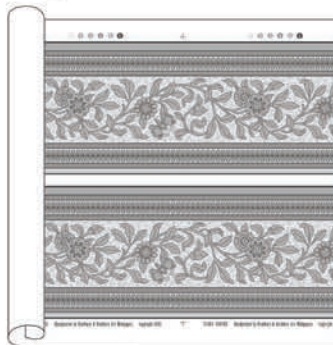

**Flora Corner Block** Sold by the set. Four 7.8125" x 7.8125" and eight 1.5" x 1.5" blocks per set. **Price code: S**

Designed to cover the mitered corners of the Flora Ceiling Border with Victorian style.

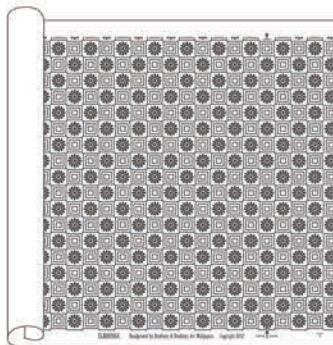

**Flora Ceiling** Sold by the roll. Each roll contains 30 sq. ft. Roll dimensions: 27" wide by 15' long. Pattern repeat: 9". **Price code: C**

This 1870s ceiling pattern with its "double-back" corner elements and gold-tipped chrysanthemums creates a lovely field across the ceiling that will always catch light and sparkle overhead.

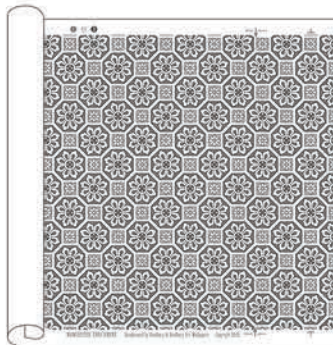

**Flora Border** Sold by the yard. Two 13.25" borders per width, pattern repeat: 18". **Price code: T**

Adapted from an original design very much in the Bruce Talbert tradition, a floral vine with a sprinkling of gold, transitioning fields of color and pinstriping.

**Elmbridge Enrichment** Sold by the yard. 3" Repeat. **Price code: P**

**Manchester Enrichment** Sold by the yard. 4.5" Repeat. **Price code: P**
